

The Desert GSP Club invites you to join us at our Annual White Mountains 2009 Field Trial in the White Mountains of Arizona on August 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup>, 2009. The Premium is attached. We are looking forward to a fantastic event, and we hope you can attend. The cool mountain air, great company and, of course, top notch entries make this a Field Trial event to enjoy.

Please note that entries are limited to the number of dogs that can be run during daylight hours. So get your entries in quickly.

Please notice the comments in our premium that are a part of our permit from the USFS, regarding parking and weed free hay. In addition, your help in making sure that you haul out your trash and dog waste, fill in any holes made by dogs or horse and spread horse manure and any leftover hay prior to your departure will be appreciated by the Club and the USFS. Our ability to enjoy field trials of this type depend upon an ongoing positive relationship with the USFS, so we ask your help to make sure we are always complying with what the USFS is asking of us. Weed-free hay is available at Cowboy Up Hay & Feed in Springerville, AZ. Contact info and address is in the Premium.

All of us in the Desert GSP Club look forward to seeing you and visiting with you. GET YOUR ENTRIES IN, AND BEST OF LUCK TO ALL!

If you have any questions, please don't hesitate to contact the Field Trial Secretary at 480-940-8830 or [laci@cox.net](mailto:laci@cox.net).
