

Thank you for participating in our walking trials.

In the titles of each stake of the running order, the term "Friday" refers to the trial that starts on Friday, May 28, 2010, and the term "Sunday" refers to the trial that starts Sunday, May 30, 2010, and NOT that the stake necessarily starts on those respective days.

If you listed 2 handlers on your entry, we have it recorded that way but there wasn't enough room to print it on the running order.

We will be providing lunches Friday, Saturday, and Sunday. Donations are appreciated.
